## REBAR TABLE COLLECTION

DESIGN BY SYLVAIN WILLENZ, 2018

Sylvain Willenz's Rebar collection is a series of coffee-, side- and tray tables that explores the possibilities of reconsidering construction materials and processes. The design juxtaposes the reinforced steel bar frame with marble tops and metal trays to create a balanced aesthetic. The tables are available in different sizes in round, square and rectangular shapes, and are suitable for using in private, corporate or public spaces.

### HIGHLIGHTS

- A series of marble-topped coffee and side tables in different colors and sizes.
- The tables are available in different sizes in round, square and rectangular shapes.
- Combines raw aesthetic with elegant marble to create unique contrasting design.
- Marble is a natural material, meaning each stone's unique color, pattern and texture gives it a one-of-a kind quality.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
