Nelson™ Miniature Chest 9 Drawer

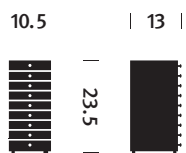

Designer
George Nelson

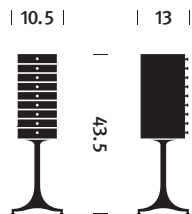

Original Production Date
1952

Warranty
5 years

Fifty years since it was last available, George Nelson's solid-wood chest has been updated to employ environmentally sustainable veneers and finishing processes. Available with or without a metal pedestal base, the Japanese-inspired design still offers 9 drawers that are hand-fitted—the kind of craftsmanship upon which Nelson insisted.

Without Pedestal Base

With Pedestal Base
