

Donut Fear Carpet

JAE YONG KIM

Shine bright and live fearlessly! The Donut Fear carpet collection by Jae Yong Kim aims to bring you joy when life isn't easy. Fun designs brought into your home in unexpected ways. Artist Jae Yong Kim started creating unique ceramic donuts to redefine the meaning of happiness in his life. A few of his designs have got a softer side: the polychromatic Heart Donut Carpet, shaped like a heart, and the Got Donut? Carpet, a round carpet with a missing bite. These playful carpets will be your daily reminder to not take life too seriously and just have fun!

Detailing

The photo-realistic 3D design of the carpet is possible thanks to revolutionary printing techniques.
