

In the Meadow Carpet

EMMA LARSSON

The carpets of Emma Larsson's In the Meadow collection are inspired by the never-ending wonders of nature. With whimsical and abstract shapes, the carpets depict mesmerising worlds of aquarelle art. The bright and soft colours are an ode to nature's variety. In the Meadow is Emma Larsson's contribution to bringing nature indoors. Into your home.

Detailing

The intensity of the colours creates density while maintaining that ethereal feel.
