SJOERD VROONLAND

The Sand Carpet Collection by Sjoerd Vroonland brings back memories of playing in the sand, creating lines, shapes, and patterns. We all have memories of playing with sand on beaches, discovering the creative possibilities of the tiny grains. The nature of sand is known for its fluidity and cohesion. It's a soothing and sensorial experience driven by our imagination. The Sand Carpet Collection by Sjoerd Vroonland reveals the beauty of this natural behaviour. The minimalism of the design combined with the warm sand-tones makes these carpets a calming presence in your home.
