Serpentine Carpet

FRONT

The Serpentine Carpet by Front results from playing and bending paper. They created organic and twisted shapes resembling a serpentine swirl. The continuous flow of the material happens naturally. It seems to come together in a mathematical way. The colour gradient and shadow play create the illusion of a three-dimensional pattern.

Detailing

The Serpentine Carpet shows the versatility of a single piece of paper. Proof that inspiration can come from anywhere.

Colours

Amber Red   Dark Green   Green Yellow   Warm Blue

Serpentine Carpet / Rectangular 200x300

Product

WIDTH 200cm | 78.7"

HEIGHT 300cm | 118.1"
